52-4 Drug Therapy Court

DTC Admission Conditions

Name:	DOB:	Case #(s):

The above-named defendant has been referred to the 52-4 District Court DTC program. In accordance with MCL 600.1066, the Court finds the following conditions to be true:

(1) The individual has been assessed and meets the clinical eligibility criteria under MCL 600.1066a.

(2) The individual understands the consequences of entering the DTC and agrees to comply with all court orders and requirements of the program.

(3) The individual is not an unwarranted or substantial risk to the safety of the public or any individual, based upon the screening and assessment or other information presented to the Court.

(4) The individual is not a violent offender.

(5) The individual has completed a preadmission screening and evaluation assessment that includes the following:

- A complete review of the individual's criminal history and whether the individual has been admitted to, has participated in, or is currently participating in a VTC, DTC, or specialty court, and the results of the individual's participation.
- An assessment of the risk of danger or harm to the individual, others, or the community
- A review of the individual's substance use disorder history and an assessment of whether the individual has a current substance use disorder.
- A review of the individual's mental health history.
- A review of any special needs or circumstances of the individual that may potentially affect the individual's ability to receive treatment and follow the Court's orders.

(6) The following deferral condition applies:

☐ Holmes Youthful Trainee Act (1927 PA 175/MCL 762.11).
☐ 7411 (1978 PA 368/MCL 333.7411).
☐ Spouse Abuse Act (1927 PA 175/MCL 769.4a).
☐ Parental Kidnapping Health Care (section 350a).
☐ Professional Practicing Under the Influence (section 430) (1931 PA 328).
☐ DTC Deferral (MCL 600.1070).
☐ Delayed Sentencing (1927 PA 175, MCL 771.1). At the end of the delay period: _____

(7) ☐ Upon successful completion of the program: _____
☐ Upon failure to successfully complete the program: _____
☐ Other: _____
